Adopt A Village Campaign

Pledge Form

I the undersigned pledge to work for development of my village in India or select another village near my roots or elsewhere and work for its Development from October 2, 2015 to October 2, 2020, with all my commitment and dedication with the support of IDCA and its partners in India.

I will also inform and encourage my family and friends in the US, India, or elsewhere in the world to join me or Adopt their own Village individually or collectively.

Development of Village will mean that the every citizen is able to meet its basic needs of water, food, clothing, shelter, healthcare livelihoods, education, energy, Sanitation.

That I will keep IDCA informed about the Progress of the projects on a regular basis at least quarterly, and will freely share my challenges and successes.
